## EDUCATION

**Rungta College of Engineering & Technology**  
Bachelor of Technology in Information Technology  
Cumulative GPA: 7.5

Bhilai, IN  
2021 - 2024

**Kirodimal Govt. Polytechnic**  
Computer Science Engineering  
Cumulative GPA: 6.8

Raigarh, IN  
2018 - 2021

## WORK EXPERIENCE

**Trunk Lord Technologies Private Ltd.**  
Software Engineer, Intern

Remote, IN  
Aug 2023 – Jan 2024

- Spearheaded the implementation of advanced features using JavaScript and React.js, enhancing the overall user experience.
- Contributed to a 15% reduction in backend response time by fine-tuning Express.js and MongoDB interactions.
- Demonstrated proficiency in version control using Git, facilitating smooth team collaboration and code integration.
- Successfully deployed applications on Amazon Web Services (AWS), optimizing performance and scalability.

**Trunk Lord Technologies Private Ltd.**  
Wordpress Developer, Intern

Remote, IN  
Mar 2023 – Jul 2023

- During my internship as a Wordpress, I gained valuable experience in site building, Ahrefs, web scraping, and WordPress development. Working remotely, I actively contributed to the team's objectives and enhanced my skills in web development.
- Successfully completed 100% of assigned tasks within project timelines, ensuring the timely delivery of high-quality software solutions.

## PROJECTS

**CIPHER GUARD** ([Github](#))

Feb 2024

- Developed on MERN Stack, Cipher Guard ensures user data protection with features like unique password generation, AES encryption, and login alerts.
- Focused on enhancing user security, Cipher Guard eliminates forgot password policies, includes an emergency access feature, and implements a four-wrong-password-attempt lockout for heightened account protection.

## ACTIVITIES

**Rungta College of Engineering & Technology**  
Technical Support Professional

Bhilai, IN  
Oct 2022

- Technical Assistance: Provided technical support for the exam, ensuring that all digital systems, hardware, and software were operating seamlessly. I addressed technical issues promptly to minimize disruptions for both examiners and examinees.
- Hardware and Software Setup: Collaborated with the IT team to set up and configure the necessary equipment and software for the exam, ensuring a smooth and error-free examination process.

## ADDITIONAL

**Technical Skills:** Javascript, Next.js, HTML/CSS, React.js, MongoDB

**Languages:** English, Hindi

**Certifications & Training:** [Web Development Bootcamp](#) [MERN Stack \(Code Help\)](#), [Javascript \(Simplilearn\)](#)
